

Peregrine STAFF (INCLUDING VOLUNTEERS) ISSUES RESOLUTION PROCESS

Clear channels of communication are essential to a supportive working environment. To this end, it is considered important that concerns are brought directly to the parties involved, as a step towards the resolution of issues. All issues between staff and the school shall be subject to resolution by this Process. As part of their evaluation of options for action, the Management Committee and Principal may however determine that the issues require independent investigation or arbitration.
