School Development Summary

Below is a list of school improvements and developments completed through 2022.

Staffing	Implementation of the Co-Principal model with Rosy Keen being installed alongside Imogen Hunt. Imogen has been wearing a large number of hats for the past 20+ years and keeping the school running smoothly, the introduction of Rosy into the Co-Principal role has resulted in efficiencies and benefits the whole school is realising. 2022 also saw the introduction of a new Senior Administrator role filled by Andrew Arvier. This allowed a new dedicated focus on background administration and project work in areas such as finance, work health and safety, enrolments and record management.
Building Improvements	During the year the following building improvements were completed: <ul style="list-style-type: none">- A new deck off the workshop to expand the usable space and allow increased ventilation..- Heat Pumps installed in the primary school and wood heaters removed.- Air purifier purchase and placement in all classrooms across the school.

	<ul style="list-style-type: none"> - Upgraded lighting in the primary school. - Internal painting in the primary school.
